

VALLEY COMMUNITY HEALTHCARE

6801 Coldwater Canyon Ave, North Hollywood, CA 91605

We are seeking a **Full Time Chief Medical Officer** committed to leadership and quality healthcare to join our dedicated team.

For nearly 50 years, **Valley Community Healthcare** has been one of Los Angeles' leading community-based health centers; providing primary care and promoting community wellness and prevention programs. Located in the San Fernando Valley, Valley Community Healthcare has two sites, 30+ providers. We are an NCQA certified-level 3 Patient Centered Medical Home for over 25,000 unique patients and provided over 100,000 medical visits last year. We are looking to grow and integrate our core programs - primary care, pediatrics, adolescent teen clinic, women's health, dental, optometry, and behavioral health; through a care team approach, quality and innovative care delivery models.

Applications: Valley Community Healthcare offers competitive salary and benefits packages. Please submit a resume, cover letter and salary expectation to our Human Resources Department at ipogosyan@vchcare.org for consideration.

POSITION PURPOSE:

The Chief Medical Officer is a key member of the executive leadership team, engaged in defining and leading the overall clinical vision for the organization. He/she provides medical oversight, expertise and leadership to ensure the delivery of cost effective and high quality medical services that result in optimal patient experience. Responsibilities also include the strategy, development and implementation of innovative wellness initiatives and clinical programs, which build and expand Valley Community Healthcare's scope of services.

SPECIFIC DUTIES:

- Lead and implement the clinical direction for the organization.
- Understanding of emerging models in health care delivery; identify and define new and innovative strategies to achieve business goals and objectives.
- Identify opportunities to collaborate internally and externally and to develop clinical integration opportunities
- Oversee and assist with accreditation and regulatory processes.
- Provide clinical guidance, support and education for clinical services.
- Oversee the following:
 - Quality Improvement Committee, including risk management, and compliance.
 - Credentialing and Peer Review Committee.
 - Provider performance review.

- Build and leverage cross functional collaborative relationships to achieve shared organizational goals.
- Develop and implement strategic goals related to quality improvement, management programs and accreditation standards.
- Assist with analytics and development of quality measures for new payment models (value based/risk based payment structures).
- Act as staff support to the Board and Board Quality Committee.
- Other duties as assigned.

ESSENTIAL POSITION RESULTS:

1. Achieve patients' timely and appropriate access to services by maintaining a consistent and balanced clinical workforce.
2. Achieve optimal patient satisfaction by implementing a care team approach that provides high quality care and timely information to all patients.
3. Ensuring all patients receive the highest standards of care by maintaining a comprehensive Quality Improvement Program.
4. Meet budgetary revenue requirements by ensuring providers meet their access benchmarks and that Valley Community Healthcare benefits from incentive revenue derived from Pay-for-Performance quality measures and other initiatives.
5. Achieve cost efficiency and operating effectiveness by working with the Chief Operating Officer, Pharmacy, and Information Technology.
6. Create a strategic clinical vision that is consistent with Mission and Core Values.
7. Direct clinical practice.

KEY QUALIFICATIONS:

- Board Certified physician in Family Medicine, Pediatrics or Internal Medicine;
- A minimum of 5 years professional post-residency experience in direct patient care
- At least three years of experience in health care administration in a primary care setting. Public Health, FQHC experience preferred;
- Knowledge of healthcare systems, medical quality assurance, quality improvement, and risk management;
- Experience and demonstrated successful leadership of care/case management, disease management and/or population health programs;
- Strategic and innovative thinker with proven ability to communicate a vision and drive results;
- Demonstrated management, organizational and interpersonal skills with a diverse staff.

OUR MISSION: *To make an impact on the health and wellbeing of the whole community by providing high quality primary medical care and comprehensive healthcare services to those in need, regardless of their ability to pay.*
