VALLEY COMMUNITY HEALTHCARE EXCEEDS NATIONAL CLINICAL QUALITY STANDARDS

Leadership in Excellent Patient Care Delivery Recognized

North Hollywood, CA, September 2017---The Health and Human Services (HHS) agency of the United States Health Resources and Services Administration (*HRSA*) granted Valley Community Healthcare the *National Quality Leaders Award* for exceeding national clinical quality benchmarks. Of the 170 California-based agencies evaluated, Valley Community Healthcare is one of three federally qualified agencies in Los Angeles County, and 1 of 7 centers state wide to receive this award.

The grant recognized the health care center's achievement in surpassing the HRSA Healthy People 2020 goals, and exceeding the standards set for chronic disease management, preventive care, and perinatal/prenatal care. "We are constantly striving to improve patient access to quality care, and maintain the level of performance excellence that has established Valley Community Healthcare as a leader in primary medical care," stated Eduardo Gonzalez, Chief Operating Officer.
